

But in reality, there is no way that someone at only level 3 can defeat the final boss.....

What you are saying sounds logical!

If you die you will pass the final level as well.

If you defeat her then you will pass the final level.

Let's run for it!

Kyoko!

Where
is
Suzuki?

He said
he was
going to
order
"Suzuki
Flower"
and his
own and
run off!

Ah!

Rio!

Ren!

You're right,
so I am going
to go look for
him now. Bye!

Wait.

That
idiot.

Yes.

Are you
planning on
playing such
a dangerous
game with
just the two
of you?

A way to
beat it
huh.....

With the
two of us
combined,
there
should
be a way
to beat it!

Don't
worry.

with
three
people

There
should
be a
way...

With four
people...

Well, there
might be
a way

...

You
Idiot....

But if I don't
think of some-
thing, we'll die.

Forget about
the Final boss,
I can't even
beat Rank.

This time I
won't be
able to get
away through
Nata's gate
like the last
time....

Use
what?

I can
only use
that...

Don't!

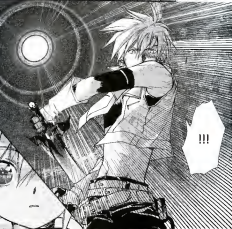

Use
what?

This...

This time
we're dead!

!!!

Please be advised, this version has reached the maximum player count. No additional players can join the party.

New players "Ren" and "Rio" have joined the party.

The gate is now closing.

Wh...at?

You!

This.. what is...

17

You guys!

You...

Er?
Where
are we?

Are we
already
in
"Gamers
Heaven"?

...

Hi Suzuki!
We've
come!

So, you've
brought
comrades
to help
you?

What
are
you
a
four-
up?

Ah,
she's the
firewall?
HI!

Calm down,
Kaito

You're wrong
Queen! I
didn't ask
them to come,
they came on
their own!

I don't
know
them!

She
is the
Queen.

Yes.

Please
issue the
order to
your team
to escape

Kaito, now
that we have
more people,
we might be
able to escape

That's right,
maybe we
really are
insignificant
pests
compared
to her.

They don't
see me as
any special
being.

I think
she's
calling us
insignificant
pests.

WAA-
AA!!!

The first
player is
the team
captain.

Me?!

You are precious
specimens from
the Second Zone

I will toy
with you
a bit and
collect
some
data...

Everyone, use
your special
abilities and
distract the
enemy while
attempting to
escape!

Don't
seduce
him!

Don't
bribe
him!

So, how
much money
do you
want?

Damn it,
I want to
play too!

DIE!

I thought I
told you to
escape!

He...
forget it...

These are
the puny
humans
who want
to protect
the
Second
Zone and
fight us?

Eee-
ee!!!

While we
were doing
those useless
things, we've
been surrou-
unded

...!!

Kill
everyone
else!

Do not hurt
the "Gate"

There's some
around her?

Forget
it

Suzuki,
what are
you doing?

I thought
you said
to escape?

I'm going
to defeat
this guy

I don't
feel like
running
away

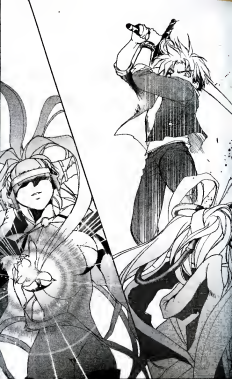

Don't
over-
extend
your-
self!

It would be
difficult to
escape anyway

If both choices
are difficult, then
we might as well
fight him, that's
the true gamer's
mind!

Caaaaasshh

You should
tell the story
developer,
that this is
too cheesy!

Hai

In a normal
game, if the
Queen appears
this soon,
then ...

That is
correct.

That Queen
must be a
Fake!

Wait!!!

In some ways, this is even worse than having zero saves left.

We will use the last save to return to the real world on the eve of the final battle. That will enhance the drama and tragedy of our adventure!

There's only one save left....

This is how we began our adventure!

Ye-ah

Let's figure out a way to level up and buy better equipment.

For now,

Even though it is a
game, you will be in
trouble if you start
playing this dangerous
game that affects the
reality of the real world

In order to prevent
the monsters of the
game from invading
the real world,

Five
heroes have
appeared!

Role playing

Well-
come
to my

I am
the
own-
er

In reality this
type of store
sells clothes
for role playing

Um...

Th- this, isn't
one of those
weird stores
is it?

What
should we
do? Should
we take
a look?

I don't think
he has
any...

It's well...
we're looking
for outfits...

There is
no cube!

We don't

They

Behind the

Why I ask
what you
are looking
for?

Battle...

You mean not
just for looks,
but battle
outfits with
abilities?

No, we
we're not
looking for
role playing
outfits...
we want
outfits for
battle...

Outfits? Oh! If it's from a
well known series, we even
have the TV version outfit!

If it's a smaller budget
production, then just tell
me the name of movie and
character and we can have
it custom made for you!

How many days do you have before
the convention, you're attending?

There
are
the
the
the
the

Hunt-
ing...
the
Navigator?

Hunt...

For
guys
like
the
reward
right?

He...you
don't have
to hide it.

You
have it?

Of course.
All of the
products from
our store are
made for
battle.

Children, are
you hunting
the Navigator
as well?

This is a
dream
reward
which is
better
than any
material
reward

Since the Area
Master Rush let
that guy escape,
the Area Boss
has become
desperate...

"Whoever catches
the Navigator
alive will become
an Area boss"

What should I say? This is great!

He

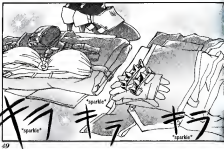

The Navigator is a monster which even Flash could not handle.

Thanks to that, our store has had a lot of business.

According to him, Hata has become a wanted criminal!

This is not great at all!

These outfits
can exhibit the
splendor of a
young woman's
body

For the ladies
equipment, I
recommend
these.....

This is the
world that I
longed for!

I won-
der
what
this
outfit
looks
like!

It feels
comfortable
enough.....

This...
This is
what I
want!

This...
This is it!

Do not worry

But
can we
really
get
stronger
without
the type
of us
suffer?

Currently
calculating
equipment
abilities, Defense
+48, Dodging Ability
+300%, and Attack
+5, the equipment
is satisfactory

Good, I like
this outfit!

Shopsheep,
please pack
it up for me!

WAH!!!!

Ok, then I
won't care
about little
things such
as if it's a
woman's
outfit or not!

I care!!!

Don't worry,
that is in a
men's size.

That is
definitely
for a girl!

You
have to
trade an
item or
services

No...

Which one is it?
Normally you
just have to
defeat the
enemy to get
all of their
money right?

What... what is
the currency of
this realm?
Is it groden?
Or gold coins?
Red rubies?
Or US Dollars?

An item or
services!

Trade...

Let's start
negotiating
the trade,
children.

Alright...

That time for men

And after you come back, I will custom make equipment for you.

This is a good deal for you

Eliminated by the Navigator, the crime rate has gone up. We finally have a new Area Boss and I have a package for her, but everyone either doesn't want to bother or is too afraid. I was looking for someone to make the delivery.

Even when the previous Area Boss was

Recall

This is
an urban
legend.

The legend
says that you
can obtain
immortality
if you go to
the Second
Zone...

I'm so jealous of
Rio, I want to
wear that type
of armor too!

Dressing like this
is pretty
cool—
raising...

Mate, what
do they
mean by
immortal?

Characters
in a game
don't have
any life.

That's
ridiculous!

This means the
Area Base is no
simple program.

No.

this just
means that
they have
been
thoroughly
brainwashed

Es-
se
me

This is not
the time to
be admiring
your money
right?

Yes, that's
true...they
even said not
wanted signs,
that's very
intelligent.

Wow!
It
looks
like it's
our
lucky
day!

It's...
Kamashima
and Hanayama!

How
about
it?

Would you
like to work
together
with us?

Those
beautiful
girls over
there,
are you
Navigator
Hunters?

Shut up!
Are you
going
against
me?

The one
who is
looking
down on
you is Ren!

Going against
us is the
same as
going against
the Area Boss
and the
Area Master!

It also means
going against
the Grand Creator,
the Final Boss!

WHAT?!

Did you
understand
me, Suzuki
Kaito!

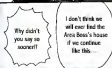

So we
are
lost!

In reality
the map was
completely
wrong.

We don't
need them
to take us,
we can go
on our own!

Didn't the
owner of the
role playing
store give
us a map?

Why didn't
you say so
sooner?!

I don't think we
will ever find the
Area Boss's house
if we continue
like this....

We are
lost?

What's up?
Do you have
some business
with the Area
Boss?

Hey!

What! It's
pretty far
away!

But we
will ask
someone
else for
direc-
tions,
don't
worry
about
it!

If you want,
we can take
you. How
about it?

We know a
shortcut that
only direct
subordinates
and highly
ranked people
know.

Do you think this looks like a shortcut?

What? You want to rebel against us again?

No, I'm just asking if this is really a shortcut?

Is this really a shortcut?

But I'm starving and want to hurry up and get my equipment, that's why I was fooled by the words "shortcut"!

That's why I said I hate these suspicious guys!

It's time to take to the air and go flying now!

That is right! We just need to go find the Area 113 and we can win!

We finally
found a
place with
no one
around,

why don't
we have
some fun
before you
leave?

Hold on,

Heh!

What are you doing!

Because I'm too slow right?

Do you want to know why we always pick on you Sakura?

Then I won't waste my breath, we'll hurry and take care of you guys

Stop!

Sui...

What
are
you
doing
here?

You
idiots,

Please
be aware
of your
positions.

We are now
in charge of
the law.

I thought I told
you to go some

you were going
to harass
females.

Do not act like
the gangsters
you were where
people can see
your unbecoming
actions.

Yes

You're
tsuki?

You've got it
wrong. These
guys were the
ones who said
they wanted to
see the Anna
Hosler, we were
just leading the
way to your
house.

3-

This is
why

they say that
boys at this
age cannot
control them-
selves with the
opposite sex.

We

are
sorry!

I can't take
my eyes off
you guys for
even a
minute.

They're

themselves

Even though we're
grateful
to you for
saving us...

It's still
pretty
mean for
you to say
that Ikuto.

The problem
is... how did
this insect
get here? How
annoying.

Don't
talk to
me
like
that.

Your
personality
has not
changed a
bit even in
the video
game...

Calling
me an
insect...

Sai is the
Area Master!

Stop being
so familiar
with her
you moron!

Hey, aren't you
going overboard?
Do you have a
problem with
Kuha?

Dart...

WHAT?!!!

WHA-T

Well, if you think about it, I think really does look capable enough to be the Area Master.

I was just appointed.

I received the promotion notice the day before.

He...
he's my
brother!

That
child...

Humph!
He prob-
ably has
your gam-
ing freak
genes.

Yeah, right?
Isn't he cute.

He's really
cute.

Broth-
er?

Be Quiet!

Dang Beeties!

You didn't have any money to buy the motor bike so you had to remodel your bicycle? He!

What did you say!!

You bastard!

What does a poor bastard who is being teased around by a little girl have to say?

What?

Suzuki!

I saw your dad in a long line to get discounted tickets the day before as well!

Are you done yet...

3, 2, 1

It's actually Ren.

真是的!

What are you doing?

I was just wondering why it hadn't come after so long...

Did that old man tell you to bring this?

It's the data on the Navigator.

Well

What is that book?

I didn't expect him to give this to you weirdos.

Data?

If we want to quickly catch the Navigator as the Queen has ordered, then of course we need any and all information relating to his appearance.

the most important thing is to prove whether it is myth or fact

Since that legend has come to the surface at this time,

That person who is a part of the legend and surrounded by mystery

That's right.

Of course it is. It's Sui!

That means that the disk has all the information regarding Neta then.

That ... that logic is very accurate

The legend says anyone who can pass through the gate opened by the Navigator can enter the Second Zone and obtain immortality but besides this there is no other information

Ah, I got it, we need to take it back!

Kai-to...

Then that means that we should not have given the drink to her?

Because the Navigator is right in front of me

Kai-to...

But I do not need this anymore

I was just wondering if it was him and I can't believe that you just confirmed it

Only the testimony of witnesses as clues... Which said that it was a child with blue hair and red eyes

Maybe it's because of the effect of the gate, but we do not have any pictures or videos of him

Waaa-
hahaha!

What an impressive questioning technique

Is it true, Suif?

This kid is the Navigator?

THAT
HURTS!

What are
you doing!!
Suzuki!!

That's
right, this
guy is the
legendary
navigator!

But I will not
let you take
him that
easily!

Sure-

Is that
right?

Even you want
to stop us from
capturing the
knight....

You should say
"you guys!"

Shut up
Baldass!

Under-

Why...

It's actually not true, he let us go.

I just turned the Navigator over to the Area Master then not only would you get a huge reward but you would also receive eternal life.

Why are you willing to fight for that kid with your lives?

Why are you refusing it?

I don't want to know.

That's because...

Let's
have a
show

Itadaki!

Fine!

then
you will
have to
tell me
why
you
hate

If I
win,

Suzuki?

Do you

I am not the

If you're worried, why don't you go help them.

Rash?

so of course they can combine

In principle, they are pretty high level as well,

isn't Kaito going to be in danger like this?

That's too sneaky

As for you, stop digging me up, aren't you in charge of monitoring them?

Someone is watching, who'd do something like that.

Idiot!

If I find evidence of your betrayal, then you'll have committed treason

If you've got the guts, then go help them

I was just pulling your leg, stupid.

At that time, I will execute you on the spot

How would

How scary!
You're not think-

their overall level

I don't want either!

Let's try magic, Hoi!

Damn it! Nothing works!

And you an idiot!
Why are you worrying about your pose at a time like this!
Just go do you!

But a cool pose is important!

You're all afraid! Go back and leave your parents into care of you for the rest of your lives.

That's the slogan of the gaming industry. Under no circumstances, no one will go home tonight!

Just in case your little employees...

Be careful, right?

Not just clothes...

Lay eggs?

What are you talking about?

and the ability to lay eggs etc. If you're going to continue to live, even a minute you should at least know those basic abilities!

You need to have something like that that can really help you with...

What are you talking about?

Are you going to a house for this you should know, about this should also go find a better animal to replace you so that you'll be satisfied!

Melt...

Do you

What is

You're

Of
course
I know.

Can you guys

stupid?

We'll stay

has won.

I'm fine!
I can still
fight!

Toshida,
Maruki-
san.

We're sorry
that we
weren't
helpful.

Harry and
escape.

Look! Look closely! This idiot is about to die and he's still worried about you!

Can you really just treat them as tools or trash? Tell me!

My god, Sune-ko...

So hurry up and apologize to them!

And why
do I have
to apolo-
gize to
you!

Why
would I
apologize!

Sto-
p
joking!

You
re-
ct!

We're friends!

"Are you an idiot! I'm trying to tell you here! How could I possibly be friends with you!"

"That's right! So hurry and apologize! This attitude of yours is really rude to your friends!"

"Friends?"

"You and I are friends?"

"Fri-
on..."

"Even if we've only spoken once, we're still friends!"

"In the end, it's because he accepts a lot of things."

"His friendship is really one-sided here."

She seems
to be
unable to
go against
Suzuki.

Ah! You
made her
cry!

Wah! It's not
my fault! I
didn't do
anything!

You
bastard!
You made
Sua cry!
I'm going
to kill you!

Let me
tell you
Suzuki
Kaito...

Hate
about
you!

This is
exactly
what I...

How can
you still
dare to
tell me to
apologize?

Why are you
so righteous
that it's so
annoying!

I almost
caused you
to be
expelled,
and I wanted
to kill you.

how could
you still
say that
we are
friends?

I... I'm
sorry.

Shut up!
Didn't you
want to hear
the reason?

I don't
envy you
at all!

Don't think that
I'll let you go
just because
you're acting
innocent!

You've finally told the truth.

I knew what you were thinking from the beginning.

You already knew?

Then let me tell you the truth too.

Yes.

It's alright.

I didn't help much anyway.

That's enough Yashida.

That's because Saia you don't get it, you don't understand his feelings.

Then why not let you no find up about telling Suzaku!

But...

You should leave this place immediately

Ka-to.

Thanks...

How could you say that? Your Ultimate Combination was pretty hilarious!

You're so silly, Itsuki is no longer the enemy

It's alright, Kato!

But Kato...

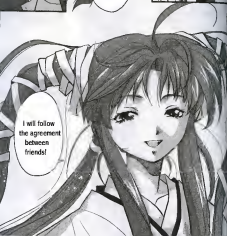

Everyone please leave this area immediately

What's wrong Nats?

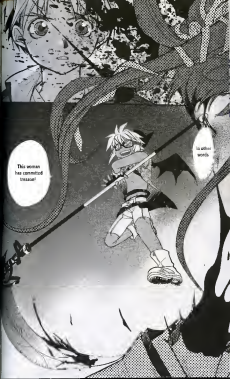

Suzuki, didn't I already say it? I don't care about the Navigator.

I will follow the agreement between friends!

This woman
has committed
treason!

In other
words...

My name
is the Grim
Reaper.

Not only am
I the law in
this world
but I am also
someone's
loyal
subordinate.

In common
terms, I'm
basically the
police!

Eliminating traitors,
maintaining order,
and creating a safe
and peaceful
country is my
responsibility.

Really?

So police
do exist...

Tadai

If Sei is a
criminal,
then aren't
I the same...

Why don't
you kill me?

Tadai

Hurry up!
You bastard!

Did you
hear me?
I told
you to
kill me!

I don't care
who your boss
is! My boss is
Sei!

Stop
young
around!

I don't care about
the law, treason,
or the police!

Don't don't
call me an
electric
flower
cart!

Even if it's true,
do you need to
do? Hah! Do you
think you're
playing Ryou and
his faithful dog?
Do you think
you're the earth
soldier placed
next to the
ancient tombs?

Or are you
the horse
that is boxed
with the Phoenix?
You electric
flower cart!

Then one who
should die
is that guy!

In my version
of justice,

It's useless
to try and
scare me
off now
Natal!

I will not
let him go!

What is it
now? Is
that guy
level 100?
Or level one
billion?

What
is
that?

Any information
on the Grim
Reaper?

But with him,
there is
nothing!

Even if we
encounter an
unknown item
I can still see
statistics on it.

I have in my
database all
the information
about all the
characters of
Gamers
Heaven.

In other words,
I do not know
his level...
or anything
about him.

Buti

Challenging such an unknown enemy is too dangerous!

Please avoid combat!

You should know better than anyone right?

What I am,

380.2/km

Naria...

Don't
get
on
me
but
up

Kato,

I'm alright
Kato

You're ok?
Are you
sure?

Is... did he
touch you?
Did he kiss
you, Kato?

Are you alright?
Hey! You're ok
right? Does it
hurt anywhere?
Say something
Kato!

So I won't
do anything
to him

I haven't
received the
order to capture
the Navigator

My rule is
not to do
any labor
for free!

What do
you mean
by that?

What did
you say...

But if you'd
like to die,
be my guest.

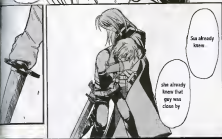

Ahhhh-
hhhhhhh!

Tada!

Let me
at least
apologize
to you

Hey, Stop!

It was going
to end like
this anyway

So... stop!!

It's alright

Shut up, I already said it was my fault: why did you make a hole in my stomach?

What are you doing!

My neck has a hole now too!

That's right!

Stop!

The street.

Stop messing around, hurry and escape everyone!

That's not it the street is

I see you're playing, hurry and escape everyone!

That's right electric flower cart. Humans all make mistakes, I shouldn't have gotten mad at you

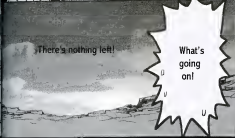

Are you two playing at being idiots?

See I'm coming to find you now!

Alright, if that's the case, then the two of our comrades with holes will die together in peace. Let's go electric flower cart!

System
function
normal.
The game is
continuing
without
problems.
Nothing
is wrong.

The affect as
the Second
Zone is
unknown.

It feels as if someone
rewrote the code for
this entire area.

All disa-
ppeared?

Those
guys...

Suzuki! Mito!
Are you guys
okay?

It looks
like...
there's
nowhere
to run.

We should do what Kiyoko suggested and look for a safe place to rest for the night

On top of that, it's getting dark.

That's right...

It's no wonder the team leader is so upset.

You must be tired. Let's find a place to rest first, okay?

Ren!

I wonder if there is any hotel nearby?

There has to be, let's look.

Even though this is a game.

Even so...

You have
to stay
alone...

Bushi

~~~~~

Here tad, this  
is the equip-  
ment that we  
agreed upon.

I've also thrown  
in extra changes  
of the girl's outfits  
as well.

Thank  
you.

In this age you  
have to diversify  
your businesses.

Isn't you  
the shop-  
owner for  
that role  
playing  
costume  
store?

Then for the hotel  
fee, let's just have  
this tall tad do  
some labor.

Please  
rest well.

It's not free?

In the end, this  
was your fault for  
having us run  
that around.

Did you do  
something  
to him?

What's  
wrong  
tad? You  
seem  
pretty  
down.

I didn't do  
anything.

Did they...  
all die?

Rash,  
Kashio,  
Maru-  
kami  
and  
Toko

forget it,  
I won't  
worry  
about  
him for  
now.

Rash...

I will carry  
out a promise  
between friends.

You're not the  
only one Suzuki!

Being  
scared...

But don't worry,  
everyone will  
protect you.

So you have to  
try your best to  
protect everyone

© 2000 Shueisha Inc.

This way we will  
definitely beat  
the game

right?

oooohrrrr!!  
I will beat  
the game!

There is no  
game that I  
cannot beat  
in this world!

I will do it  
for sure!

Um...

I...I can't  
breathe  
Suzuki!

You just said!  
Damn it!

Suu  
nan

The  
problem  
is that  
Koushima  
hugged  
her first...

Come on,

he doesn't  
need to  
hug her  
that hard  
does he?

No kidding, I'm  
craving for that  
stinking kid every-  
day

Now that child is  
going to be  
excited all night  
for Suzuki

As it's so  
complicated...

は？

No  
too

There are  
lots of  
targets I  
want to  
eat

Why don't you  
just eat him up  
then Rei?

That's right, on  
top of that we are  
not saints. Worry  
up and push her  
down Rei!

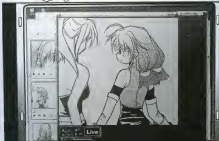

Why in the world  
did the two of us  
get involved in  
this game?

And so he dressed like this

How embarrass-  
ing! When  
did you guys  
get here?

What do you  
guys want to  
eat?

Little  
litter!

There are no  
words that can  
describe how  
beautiful  
you are....

How  
beautiful....

Don't like eyes  
behind those  
glasses...

That cherry  
sized mouth,

just like a ripe  
fruit ready to  
be plucked....

Now that I have  
defeated you, the  
Area Master, this  
territory is mine.

Hehehe  
stupid  
man.

Do you know  
how long I  
have waited for  
this day....

Letting yourself get  
mortally wounded in  
order to get a hold of  
evidence.

It's finally my  
turn to come out!  
Ahahahhh!

After wiping  
away the  
city, I will  
turn this  
into my own  
personal  
harem!

Everything is  
prepared.

Hehehe

You're not  
dead yet,  
Area  
Master?

Then let's  
have you  
help!
